

6. Getting GIS Data Online

Online GIS Data Sources

- Topographic Maps: http://ftp2.cits.nrcan.gc.ca/pub/toporama/50k_geo_tif/
- To find a topo map for your area you'll need to know your "NTS Map Sheet" (Wolfville is 021-H-01). You can look it up here (toggle "NTS Grid" on, top left) <http://geogratis.gc.ca/site/eng/extraction/>
- Vector Data used to create topographic maps: <http://geogratis.gc.ca/site/eng/extraction/>
- Other GeoGratis data: <http://geogratis.gc.ca/>
- LANDSAT data: <http://glovis.usgs.gov/>

Administrative Boundaries

- The GADM Database: <http://www.gadm.org/>

Census Data

- <http://www12.statcan.gc.ca/census-recensement/2011/geo/bound-limit/bound-limit-eng.cfm>

Nova Scotia Data Sources

- http://www.novascotia.ca/sns/land/products/geographic_access.asp
- Forestry Data: <http://novascotia.ca/natr/forestry/gis/downloads.asp>
